

Sharing forum: Secure Coding (30th Nov, 2013) Finished

Posted by admin on December 3, 2013

We've just finished the Sharing forum Secure Coding on 30th Nov, 2013 with a satisfying result.

Our experienced speaker – Mr. Pho Duc Giang, with a great deal of relevant qualifications, led the forum to an expected point.

Many of participants from a variety of corporations (BTS, Cadena, VNG, GHP Far East, KMS, GCS,...) gave positive feedbacks to ECCI Vietnam on the forum, that is really valuable for us.

ECCI's desire is that through these kinds of sharing forum, our customers will be actually able to get the real worth value for their innovative development.
