

SPS Vietnam's Seaside Adventure 2015

For their company trips in August this year, employees from the head office at Ho Chi Minh and the SPS Vietnam branch office at Can Tho chose two different locations. The Can Tho team went to Vung Tau and the head office to Ham Thuan Nam. Both trips proved a great success with employees.

At **Vung Tau**, employees took part in team building activities on the beach before enjoying a dinner and the traditional "Gala Night" celebration. Traditionally, this is the most exciting part of the trip – a show organized by and for the employees.

This year's show included a beauty contest for men only, fascinating dances, singing performances, and lots of fun and excitement.

The next day was more relaxing for the employees who could choose from a wide range of activities such as visiting **Nui Chua and Dinh Than Thang Tam**, swimming, walking on the beach or networking with colleagues.

After lunch the employees said “good bye” to Vung Tau and returned to Can Tho fully motivated until the same time next year.

The Team of **Ho Chi Minh City** met for a company breakfast before leaving for Ham Thuan Nam. The Saigon Suoi Nhum resort was their destination for team games, followed by rehearsals and preparations for their Gala dinner.

As usual, many entertaining displays of talents were on offer during a varied evening of performances.

SPS Vietnam's new CEO, Anatolijus Fouracre, received from his predecessor, Philipp Angst, a representative key to SPS Vietnam as a symbol to mark the handover of position.

Numerous posts by employees on facebook and endless "likes" acted as proof of the success of these trips.
